### DECLARATION

I, Prof. Vladimir Khavinson, certify that on May 10, 2007 in Rome, the meeting of the Advisory Board of BONETA' srl was carried out with the attendance of:

Prof. Vladimir Khavinson, St. Petersburg, President, Section of Biogerontology, IAGG European Region;  
Prof. Jean Pierre Baeyens, Oostende, President, Clinical Section, IAGG European Region;  
Prof. Imre ZS-Nagy, Debrecen, Editor-in-Chief, Archives of Gerontology and Geriatrics;  
Prof. Giovanni Cristianini, Gorizia, Past-chairman Dept. of Geriatrics, Editor Geragogia;  
Prof. Alberto Pilotto, San Giovanni Rotondo, chairman Ospedale Sollievo della Sofferenza;  
Prof. Massimo Fini, Roma, chairman San Raffaele Pisana university Hospital;  
Prof. Domenico Cucinotta, Bologna, past chairman Dept. of Internal medicine and aging,

According to the agenda, Professor D. Cucinotta introduced attendants unto a program of intensive and global evaluation of subjects of both sexes of different range of age, useful to support active and healthy aging (Valutazione Intensiva Preventiva).  
The slides of the presentation are in attachment.

After a huge discussion all participants congratulated Prof. Cucinotta and BONETA' srl for high scientific value of the new methodology of comprehensive assessment and management.

St.Petersburg, May 25, 2007

With best regards,

Prof. V. Khavinson  
President, Section of Biogerontology,  
IAGG European Region
